To Prevent Consumption

Some Ways You Keep Off Dread Tuberculosis.

Take Bear's Emulsion in Time—Watch for the Symptoms of Disease.

How to keep from getting consumption. Keep the body strong and healthy—Now then; how are you going to keep the body healthy; not by losing weight every day; not by allowing that tickling in your throat to remain, not by getting bronchitis or tonsillitis on every little exposure; not by letting your children have the croup or whooping cough and not by giving them something to heal the throat and build up the system; not by going from day to day with a tired feeling, no appetite and pains about through the body. Keep the body strong and healthy by taking Bear's Emulsion. It has been thoroughly tested by people in your own county. People that you know say it is the best thing they have ever took for any of the above ailments. Sold by leading druggists.—adv.

A Token of Love and Respect

In the recent death of our highly esteemed and greatly beloved friend, Mrs. T. M. Alderson, it is the desire of "The Fortnightly Club," Wise, Va., of which she was a most loyal and congenial member, to express, however feebly, its appreciation of her faithfulness, courtesy and devotion.

She was a charter member, and the senior one, of this organization; but no one was younger in spirit, and this with her bright, sunny disposition, kind and considerate manner, as well as many other sterling qualities of mind and heart, has endeared her to each of us.

We wish to voice our admiration and respect for her gentle, forgiving, loving personality which has been a benediction to us all.

She was always interested in everything tending to the uplift of mind, or soul, and, being of an artistic temperament, she took a keen delight in anything of this nature, which especially endeared her to the younger generation.

It has been truly said: "To live in hearts we leave behind is not to die." Then our dear friend is living still, for all who knew her loved her, and in the heart of each is the memory of her sweet, unselfish nature, intermingled with the fragrance of some loving deed.

We, the members of "The Fortnightly Club," wish to pay this last tribute of love and respect to her memory, and to extend to the bereaved family and loved ones our deepest sympathy.

Mrs. D. E. Llewellyn,
Mrs. H. A. Lacy,
Miss Willie Banner

Lowerre-Morrison.

Miss Minnie Young Morrison, daughter of Mr. and Mrs. David G. Morrison, of 94 Sanford avenue, Flushing, and Walter Mathieson Lowerre, son of Mr. Mrs. Thomas B. Lowerre, of 94 Prospect street, Flushing, were married Saturday evening.

The ceremony took place at the home of the bride's parents at 8 o'clock, the Rev. Lincoln H. Caswell, of Brooklyn, a former pastor of the First Methodist Episcopal church, of Flushing, officiating.

The parlors had been handsomely decorated for the occasion, with potted plants and chrysanthemums. After the wedding there was an informal reception.

The bride wore a dress of white satin, trimmed with duchess lace, and a veil caught up with orange blossoms and a string of pearls, a gift from her father. She carried a shower bouquet of white roses and lilies of the valley.

The maid of honor, Miss Anna M. Keislen, wore jade green and silver taffeta, and carried lavender sweet peas.

The bridesmaids were Miss Gertrude Lowerre, Miss Agnes Darnour, Miss Theodora Purcell, Miss Mary Haywood, Miss Priscilla Plattfoot and Mrs. Palmer H. Graham. They were dressed in pastel shades.

Herbert Clark was best man, and the ushers were John Mor-

risson, Andrew Morrison and Albert Humm.

The bride's mother wore a dress of orchard satin.

After the reception and wedding supper, served by Forbes, the young couple started on their wedding tour. Erdman furnished the music and Burns, the decorations.

Mr. and Mrs. Lowerre will make their home in Flushing.—Flushing (N. Y.) Evening Journal, Dec. 12.
